

Holy Cross Women's College, Ambikapur

BEST PRACTICES 2016-17

1. Title: Value education

The Objective:

- To form students as persons with values who are able to live happily and contribute to nation building.
- To form students with humanitarian vision where values like – Respect, Tolerance, Non-violence, social consciousness, Responsible citizenship, Honesty, Compassion, etc. practiced.

The Context: Increasing degradation in values, Growing selfishness and lack of responsibility towards family and society is seen.

The Practice: One period / week is incorporated in the time table for all classes. Faculty including the principal take class as per the time table. Some of faculty are assigned to take attendance so that their presence is made sure in the class.

Evidence of Success:

- Students became aware of the importance of values in life.
- Many Students are motivated to do good work.
- Increased religious / Cultural tolerance.
- Development of self-confidence and self-worth in students are seen.

Problems Face: Lack of interest in majority of Students for value education classes. Many are attending out of compulsion and not on their own will.

2. Title: Discipline

The Objective:

- To ensure calm and peaceful academic atmosphere in the campus.
- To achieve set goals more efficiently and effectively.
- To avoid indiscipline, failure, personal confrontation.
- To promote quality culture.

The Context: Discipline helps staff and students to live and work efficiently and effectively. It can help to create a calm and peaceful atmosphere in the campus. Discipline creates habits, habits make routines and routines become who we are daily. A disciplined institute/a person only can be focussed fully on the set goals and always find time to achieve the targets more efficiently. With great discipline comes great responsibility.

The practice: - Time table is prepared for staff and students. Management and discipline committee make sure that everyone functions according to the set rules and regulations and fulfil the responsibilities as mentioned in the schedule. A prescribed dress code is to be observed by students and faculty which requires that they be formally dressed while on campus. The students should compulsorily wear apron before entering the laboratories. No mobile phones permitted. No student/staff shall leave the campus before time without prior permission. Regular attendance in the class and weekly assembly and so on.

Evidence of success: College is known for its discipline. Most of our students are placed in reputed institute and company.

Problem faced: - Many students are first generation learners. - Lack of motivation among students.
